Section C: PRIMARY CARE COMMITMENT

Enclose a personal statement that explains why you are choosing to enter a primary care specialty. Include any previous community service experience that has had an impact on your decision to become a primary care physician. Also, include your professional goals and the special strengths you believe you may bring to a primary care specialty profession.

The Selection Committee requires that the applicant provide at least two letters of recommendation. One recommendation may be from a physician who knows of your interests and career goals. The second recommendation may be from someone who knows you well enough that also knows of your interest and career goals. Both recommendations should also address your relevant employment, commitment to primary care, community service, character skills, and involvement in serving others.

Have you applied or made a commitment to receive any funding that requires you to practice primary care in the state of Indiana or elsewhere?

YES **NO** If **YES** addresses the funding source within your statement.
